## THE RIGHT SEATING FOR EVERY SETTING

No matter where you work, **Jk Steel™** has a seating solution that can boost the health of your business by bringing professional-grade ergonomics to the table.

### Home office

Bring professional quality, comfort and value home to your home office. With a variety of great styles and sturdy designs that last up to more than 8 hours daily, you can select from several options that best fit your décor, and start working (or playing) from home like never before.

### Small businesses

**Jk Steel** chairs make longevity budget-friendly. With features that are built for 8+ hours of daily use and affordable price points that are built for any budget, you can purchase one for yourself and everyone in the entire office. That's running your business comfortably, affordably.

### Medium enterprises & large corporations

Commercial-grade quality, industry-rated features and ergonomics make **Jk Steel** chairs the professional choice for boosting productivity and reducing absenteeism. Sit back and furnish your facility with ease—**Jk Steel** is designed to keep on working.
